Portable Refrigeration Rentals

Electrical Requirements: The 110V electric unit requires 110-volt electricity that must be plugged into a dedicated 20-amp receptacle. Each unit has a 25' extension cord provided. Electrical cords damaged or not returned will be an additional \$50.00 charge.

Diesel Unit: Please note that fuel charges will be incurred with any diesel trailer rental.

Emergency Repair Service: 24/7 service is available. CSTK will cover all service calls related to mechanical failure to the unit. Service calls which are determined to be the result of an electrical problem at the facility or operator error will be billed to the lessee.

Certificate of Insurance Policy: A certificate of insurance is required when renting Kool Ride trailers or vans. The certificate of insurance should list CSTK as an additional insured. Additional documentation may be required. Please contact your CSTK rental representative for information.

Transportation Charges:

- 1-30 Mile Radius: \$65 each way
- 31-45 Mile Radius: \$100 each way
- 46-60 Mile Radius: \$150 each way
- Beyond 60 Miles: Per Quote

Equipment Sales & Service

CSTK is a full-service Thermo King and Coldtainer dealer, offering customized temperature controlled solutions for trucks, trailers, vans and more. Ask your CSTK rep about new or used equipment options for your business.

Your Rental Source for Portable Refrigeration

CSTK offers refrigeration and frozen storage solutions for rent in the Philadelphia area. Our Coldtainer storage, Kool Ride Trailers and Kool Ride vans are perfect for restaurants, event planners, caterers, wineries, bars, microbreweries, florists, outdoor events, and more.

Our rental program includes daily, weekend, weekly and monthly rates. Delivery, pickup, and long-term rental contracts are available.

Coldtainer

The Coldtainer is a portable refrigerated storage solution, available in three sizes. Features include shelving, easy-to-set refrigeration and freezer options as low as -6° F.

Add a 33 gallon Coldtainer to a Kool Ride Transit for multi-temp capabilities. Coldtainer purchase options are also available.

Coldtainer Options	Daily	Week-end 2-4 days	Weekly 5-7 days	Monthly
37 Gallon Electric Coldtainer Unit 39" x 24" x 28" (exterior) 24" x 16" x 20" (interior) Weight: 88 lbs.	\$205	\$225	\$275	\$450
87 Gallon Electric Coldtainer Unit 40" x 39" x 36" (exterior) 32" x 24" x 26" (interior) Weight: 198 lbs.	\$245	\$275	\$390	\$690
242 Gallon Electric Coldtainer Unit 59" x 47" x 46" (exterior) 48" x 37" x 33" (interior) Weight: 359 lbs.	\$275	\$325	\$485	\$1075

All dimensions are displayed in L x W x H. Delivery & pickup available.
All Coldtainer rental units can maintain a minimum temperature of -6° F.

Kool Ride Vans

Kool Ride Vans are perfect for catering events, deliveries, or when you need additional refrigeration storage. Our refrigerated vehicles feature Thermo King refrigeration, an insulated liner and 110-volt electric standby with a 25' cord.

Kool Ride Transits are temperature-controlled Ford Transit vans with a Thermo King unit and insulated interior. The vehicles are also wired for use of a 33 gallon Coldtainer, so you can simultaneously store frozen and refrigerated goods in the same vehicle.

Kool Ride Transit Rates	Daily	Weekend 2-4 days	Weekly 5-7 days	Monthly
Kool Ride Transit	\$375	\$600	\$875	\$2450
Mileage Included	None	60 Miles	125 Miles	500 Miles
Additional Miles	\$0.60 per mile	\$0.35 per mile	\$0.30 per mile	\$0.25 per mile

A 33 Gallon Coldtainer for use in the Kool Ride Transit can be provided at an additional rate. This allows for both refrigerated and frozen storage in the same vehicle.

Kool Ride Trailer

Kool Ride walk-in coolers can keep your operation running smoothly during a breakdown of a walk-in refrigerator/freezer, a catered event, or when you need additional temporary space.

Our trailer fleet includes 110V electric refrigeration units, as well as diesel trailers with both refrigeration and freezing capabilities. Long term rental options are available.

Trailer Options	Daily	Week-end 2-4 days	Weekly 5-7 days	Monthly
110 Volt Electric Cooling Unit 6' x 12' (exterior) 5' 6" x 11' 6" (interior) Requires a dedicated 20 amp receptacle. We supply a 25 foot extension cord.	\$275	\$375	\$500	\$1275
Contained Diesel Powered Cooling Unit* 6' x 12' (exterior) 5' 6" x 11' 6" (interior) Unit requires diesel fuel, which is not included in rental cost.	\$325	\$475	\$700	\$1875

*Please note that a 3/4 ton or 1 ton vehicle will be necessary to pull a Kool Ride diesel unit. Delivery/pickup options available.
